In the central character it introduces us to a quaintly lovable old chap whose greatest ambition in life is to assist in making the world pleasanter for his fellow beings. His opportunity comes when a little crippied orphan boy is left in his charge by his dying mother. The settings of this picture are mostly unfamiliar to the majority of people and doubly interesting for that reason. Most of the action transpires in a little hamlet nestling on the hanks of the Mississippi river—and on an odd little shanty-hoat—the home of an odd little shanty-hoat—the home of Peter, the Jack-Knife Man.
